DUBAI INTERNATIONAL AIRPORT

The glossy \$1.2 billion Concourse D catapults the capacity of one of the world's busiest airports to 90 million travelers a year.

Eat

Head to Wolfgang Puck's new **Kitchen** for brick chicken and seared sea bass (Concourse D). Nearby, Lebanese favorite **Shawarmanji** has a following for its breadless *shawarma* cups. There's no shame in craving the perfect cheeseburger after many days abroad. Two words: Shake Shack (Concourse A).

Drink

Catch the game at the **Draft House** (Concourse D) or classic sports bar **Heineken Lounge** (Concourse A), which serves the Dutch pilsner as well as French and Chilean wines and a full bar.

Shop

You can't spend a few hours in Dubai without lightening your wallet considerably, even at the airport: Pick up a **Chanel** bag, **Salvatore Ferragamo** footwear, **Fendi** kids clothes, and even some **duty-free gold bullion** at the new terminal's concept stores and boutiques.

Relax

Concourse D adds a whopping **nine lounges** to the airport's mix, including two from Lufthansa. Book a massage or facial at the on-site hotel's spa (accessed from concourses B and C). Or spring for a session in a soundproof **SnoozeCube**, power-napping pods for all (concourses C and D).

FLY QUIET CLASS: **Lufthansa** has announced a new partnership with Harman to provide its AKG N60 noise-cancelling headphones to all business-class seats in 2017.
