SARAH KHAN

“Always talk to strangers. Well, within reason,” says travel journalist Sarah Khan. “I like understanding what makes people tick and finding unexpected connections, similarities, and shared interests even across vastly different backgrounds.” The self-proclaimed encyclopedia of useless '90s Bollywood trivia and ardent cheeseburger enthusiast is also the co-founder of *Travel Is Better in Color*, a platform to celebrate diverse voices in travel journalism.” Follow Sarah [@bysarahkhan](#) and [@travelisbetterincolor](#)

“I’m naturally inquisitive and I love connecting with people, so it’s a blessing I’m a journalist.”

**MOVIES!**

You can't go wrong with *3 Idiots* or *Zindagi Na Milegi Dobara*.

MOTIA NIGHT BLOOMING JASMINE CANDLE \$30, [shopkishmish.com](#)

Jasmine is the most transporting of all scents for me—my mind immediately takes me back to weddings in India.

PICHULIK CURVED BALL EARRINGS, \$50 [int.pichulik.com](#)

I live in my black and gold rope earrings from Pichulik in Cape Town. I have a few of their rope necklaces and bracelets too.

FLOWER STYLE EYES LIQUID EYELINER, \$9 [flowerbeauty.com](#)

Black liquid eyeliner has been a staple of my makeup regimen since I was 15—I feel like my face isn't the same without it.

BACK TO YOUR ROOTS SCALP + HAIR PREWASH, \$38, [shazandkiks.com](#)

I have really thick curly hair, and I love experimenting with different brands to see how my curls respond.

REESE'S PEANUT BUTTER CUPS, \$1, [Target](#)

I've subsisted almost entirely on Reese's during the pandemic.

STAY ALL DAY LIQUID LIPSTICK IN BESO \$22, [stilacosmetics.com](#)

I read a few years ago that Beso is Alexandria Ocasio-Cortez's go-to red lip color and bought it immediately. It's just a beautiful deep red that looks great on brown skin tones.

MARIANELLA HYDRATING HAND SANITIZER GEL, \$16, [marianella.co](#)

When everyone suddenly jumped on the hygiene bandwagon, I heard this luxury soap company had sanitizer in stock. I paid way more than I felt was justifiable on a few bottles—but I've become a repeat customer.

ELEMIS ABSOLUTE EYE SERUM, \$50 [us.elemis.com](#)

This serum is the only thing that seems to help with my dark circles.

SOLE SISTERS SANDALS, \$40 [special order at thesolesisters@gmail.com](#)

In the summer, you can find me in these colorful sandals from Mumbai.
